

# October Youth Activities Bulletin

Dept. of California

**Wow the year is just flying by! I just love your Reports! You are really stepping up working with our Youth.**

**I want to clarify a couple of things from our report form:**

**#9 a- is Youth Supporting our Troops/Veterans. This is for you to honor your youth group that is helping with your Post and Auxiliary Projects. There is a form on the website and Facebook page for you to fill out and send to me and then I forward to National for that group to receive a special citation to the group.**

**9b- is Youth Group Work is when you are working with a group and supporting them. Such as donating to a Scouting Troop or 4-H, etc. volunteering at troop meetings or outings.**

**Has anyone found a new way to recycle the R.A.P. cards or coins?? Tell me how you recycled them. Are Auxiliaries hosting Halloween Parties or Christmas Party? Have you asked your local schools if they would collect non-perishable food products to help needy families in the Community? Warm Coat Collection?**

**Marie Klugow was a Past National President in which this Scholarship named for. She was a member of Tracy Auxiliary 1537 in District 13 please keep on sending in your donations for the Marie Klugow Memorial Scholarship. There are 1 Scholarships for graduating High School Student, 1 for Continuing Education Scholarship for those who are continuing their education and 1 for a student who will be perusing a job in the Nursing field.**

**I hope that you check out the VFW Auxiliary Dept. of CA Youth Activities page on Facebook I have sharing with Auxiliary members your projects.**

**VFW Auxiliary Dept. of CA website it: [vfwauxca.org](http://vfwauxca.org)**
