"California Dreamin' of 100% Membership"

The VFW Auxiliary started with a small group of women who wanted to serve veterans, and it has grown exponentially and now includes both males and females as members. There is only one way to add members: *ask someone to join! And once they join, ask them to participate.*

PROGRAM GOALS

- Recruit New Members
- Retain Current Members
- Grow the Organization

Department President Ellie Mello's theme is ***"360° Support For Our Veterans And Their Families"***. In order to complete that mission, membership is needed. Increasing our amount of members means a larger team of educators and volunteers working for the betterment our Veterans lives and healthcare.

"California Dreamin' of 100% Membership". HOWEVER, it is not just a dream. We can do it! But, it is going to take the excitement and effort of all members and Auxiliaries to achieve our goal of 100%. Let's surf through our community events and make opportunities to recruit new members. Every Auxiliary should have a membership plan. Organize a membership team to set up recruiting events.

HAVE A PLAN:

- This plan should include:***
- Contact current members
 - Outreach to former members
 - Plan recruiting events for new members

Before a membership year begins, set your calendar for when you plan to do each of these:

- Make it easy for members to renew their dues.
- Show members how to renew online in **MALTA**.
- Plan at least four recruiting events in your community each year.

ASK SOMEONE TO JOIN:

There are numerous places and times to ask someone if they want to join the VFW Auxiliary. Your approach will look different depending on who your audience is. In all cases, the potential member should have some knowledge of what the VFW Auxiliary is and what we do before they ever receive an application.

Important Tools:

- Fact Sheet, available free from National Headquarters
- Business card with contact information (Order yours from the VFW Store, www.vfwstore.org)
- Know the National website, www.vfwauxiliary.org and the CA Auxiliary website, www.vfwauxca.org.

Follow the Department Facebook page at VFW Auxiliary Department of California.

MEMBERSHIP

RECRUITING TIPS

1. Let a potential member know: "It is an honor to have a veteran in your family who makes you eligible for the VFW Auxiliary. Not everyone can join, and your veteran's service and sacrifice can be honored through your membership."
2. Members who are informed know the Auxiliary understands the importance of family and attending family events. An adult who still has children in the home will want opportunities to do things with his or her family. If he or she can't bring his or her children and spouse to at least some of the events, he or she will be less likely to join or to continue his or her membership. Be sure that you plan at least one family friendly event every three months, or once per quarter.

FOLLOW UP!

Most likely, the first time you talk to someone new about the organization, that person will not be ready to commit. It is important to ask for their contact information and then follow up within a week.

RETAINING MEMBERS:

The key to keeping members is getting them involved. ASK THEM TO PARTICIPATE. Call or email a new member within a week with the next meeting date and time, or the next possible event or project. Offer to pick him/her up, or invite them to get coffee before or after the meeting or event.

Put a team of members in charge of contacting new members or members who haven't been to a meeting recently. These members should be friendly and knowledgeable about the Auxiliary. Remember to respect and show kindness to ALL members. Additionally, if members do not feel welcome, they will most likely not go meetings, volunteer or renew their membership.

Retaining and Rejoining Members

We as a team feel that promoting membership, recruiting, and retaining and rejoining members plays a huge role with this organization. We need new members to continue to grow and have fresh ideas, retain members to keep the organization going and rejoin the members from the past to show them that the organization is trying to grow with society, as well as maintain the principles and traditions from our history.

Interact, Inspire and Support Our Veteran, Military & Their Families

We need to spark an interest in a potential new member. Explain that Auxiliary members visit hospitalized veterans, attend homecomings, volunteer within our community, work our Programs (not only benefit the Veterans, but their families also). To see that spark of enthusiasm in new members helps those who have been doing it for so long gain a new outlook on the Auxiliary. We love to share all the good that we do as an Auxiliary and what we have to offer them as a member, along with their family. Get new members excited to participate in dinners, fundraisers, hospital activities, "Buddy" Poppy drives, contact legislators, support youth groups, bring our scholarship programs into the schools, teach and spread patriotism.

A Stars & Stripes Event

The National Membership and Recruitment "Believe Team" are excited to try something new. At the 2019 National Convention in Orlando, Florida, they will honor the top Department in each Program Division. All members attending the National Convention from the top Department Division will receive a special badge and sit

under their Department's special sign. In addition, members who pre-register from that Department will receive special treats at their seats in the Auxiliary meeting room on June 22, 23 and 24, 2019.

Their goal is to honor all that helped achieve the top goal in Membership, not just the President of that Department. Department must have the highest percentage of continuous paid members in our Division from July 1, 2018 to May 31, 2019, based on June 30, 2018, total membership numbers.

Help National with Training & Promoting, then Win Money!

Auxiliary Membership Chairman this is your chance to win a National Award. To participate you need to send to your Department Membership Chairman, Joyce Bilyeu by **December 31, 2018** exact information on how you trained your Auxiliary Members in the art of recruitment (training materials, power points, handouts etc.). The Department Membership Chairman will then forward one winner on to National by January 31, 2019, so the award can be announced at the 2019 National Mid-Year Conference.

Create A Fact Sheet or Brochure and Help Fellow Members!

A 2nd possibility of obtaining a National Award with the same **December 31, 2019** deadline to your Department Membership Chairman is, a Fact Sheet or Brochure that you/or your members created to pass out to potential or new members. When creating these fact sheets or brochures be sure to include information you would have loved to have received yourself as a brand new member. The same timeline by the Department Membership Chairman as outlined above. Winner will be named at the 2019 Mid-Year Conference.

Membership & Recruitment Resources

The most important resource every member needs to have and understand is the VFW Auxiliary Podium Edition of the National Bylaws, Booklet of Instructions and Ritual. Also, the National website, www.vfwauxiliary.org, is the key resource that allows all members to explore ideas and learn how to recruit and engage members. Follow the National organization on Facebook.

Community Engagement

If your Auxiliary participates in all community events, this will bring awareness to our organization. Awareness will bring interest, interest will bring new members. An "Accepting New Member" ad can be put in local newspapers or contact local radio talk show and ask to speak on the show. Our best recruiting tool is to be seen in and working with our community!
