If you have one or two young people that help with Post/Auxiliary functions, there are other citations that you can issue you to them. There are several on Malta/resources that you can recognize those volunteers.

From our National Director's Bulletin Mistie Hammond:

Creating and or supporting youth groups.

Chances are you all have youth that help around your Post/Auxiliary. With us no longer having a Jr. Girls Unit and with all the budget cuts going nationwide it is leaving our youth with a lot of extra time on their hands. This is a perfect opportunity to get them involved in our great organization and teach them all about patriotism and team work.
