

Welcome to the start of a new year and what a great start it is with many excellent reports coming in from all over the state. It is a true testament what our auxiliaries do for our Veterans, Military and our Youth!

The convention was a great success and a lot of fun as we rolled out this year! I was so proud to be the "Grand Ol' Flag" Bearer for our Air Force Jr ROTC team. They were wonderful!

So..... let's get this party started! Our major program goals are:

U.S. Flag Education

POW/Mia Remembrance

Patriotism

Smart/Maher National Teacher Citizenship Award Program

Gold Star Mother's and Families

I have delivered to each District President a complete package with the program, resources, flyers, certificates as well as Auxiliary Traditions. Please pass these on to your Americanism Chairman and Patriotic Instructors so we can reach all of our great Auxiliaries. I encourage you to promote our exceptional National Programs at your "School of Instruction".

I look forward to receiving more excellent reporting and I am honored to serve as part of a great team promoting "360 Degrees For Our Veterans & Their Families" because if we BELIEVE - We Can Do It!

Laura Ashley

Department of California Americanism Chairman/Patriotic Instructor
