

Extension and Revitalization December 2023 Promotional

Extending Warm Holiday Greetings and a Vision for Revitalization

As Chief of Staff for the Veterans of Foreign Wars, it is my distinct honor to extend my warmest wishes to every one of you during this festive season. The spirit of the holidays brings with it a unique opportunity for reflection, gratitude, and renewed commitment to the core values that define us.

This December, as we gather in the spirit of camaraderie and service, let us also embrace the call for extension and revitalization within our esteemed organization. Our history is rich with tales of resilience and dedication, and it is through our collective efforts that we can breathe new life into our shared mission.

As we celebrate the season of giving, let us extend our hands to welcome new members into our fold and revitalize the spirit of service within our community. The strength of the Veterans of Foreign Wars Auxiliary lies not only in our storied past but also in our ability to adapt, grow, and continue making a positive impact.

In the coming year, let us commit to extending our reach to veterans who may not yet have found their way to our community. Through outreach, engagement, and a renewed sense of purpose, we can revitalize the bonds that unite us and ensure that the VFW Auxiliary remains a beacon of support for all who have served.

May this holiday season be a time of inspiration and reinvigoration, as we collectively envision a future where the Veterans of Foreign Wars Auxiliary continues to thrive and make a meaningful difference in the lives of those we serve.

Wishing you and your loved ones a joyous holiday season filled with the warmth of camaraderie, the spirit of revitalization, and the promise of a brighter future.

With respect and gratitude,

Joyce Bilyeu, Chief of Staff
VFW Auxiliary Department of California
