December 2023 Promotion

Wishing You a Season of Leadership and Growth!

As we approach the holiday season, it is with great joy and gratitude that I extend warm wishes to each and every one of you. In the spirit of camaraderie and service, I am reaching out as the Mentoring for Leadership Chairman to share my heartfelt appreciation for your dedication to the values we hold dear.

This season, as we gather with loved ones and reflect on the significance of our shared experiences, let us also celebrate the power of mentorship and leadership within our community. Our organization is built on the foundation of service, sacrifice, and unwavering commitment, and it is through the guidance and support of mentors that we continue to thrive.

As we look ahead to the coming year, let us renew our commitment to fostering leadership within our ranks. May we embrace the opportunity to mentor and be mentored, recognizing the unique strengths and talents each member brings to the table. In doing so, we not only honor the traditions of the Veterans of Foreign Wars Auxiliary but also pave the way for a stronger and more resilient future.

During this festive season, may the bonds of camaraderie be strengthened, and may the spirit of mentorship illuminate our path forward. Let us be mindful of the impact we have on one another and the positive influence we can exert on the next generation of leaders. Together, we can continue to build a community that stands as a beacon of service, strength, and solidarity.

Wishing you and your loved ones a joyous holiday season filled with warmth, gratitude, and the spirit of leadership.

With sincere appreciation,

Erma "Tootsie" Dougherty
