Let's Make a Difference in the New Year – Legislative Action Continues!

Dear Auxiliary Members,

As we step into this new year, we are filled with renewed hope, energy, and determination to make a difference for our veterans and their families. The start of a new legislative session brings fresh opportunities for us to amplify our voices and continue the important work that lies ahead.

The past year has shown us the power of our collective action. But now, with a new legislative house in place, the work is far from over. It's just beginning! As your Legislative Chairman, I am calling on each of you to stand firm in our commitment to advocate for our veterans, active-duty service members, and their families, as well as all those who have served our country with honor.

We have the opportunity to bring about meaningful change—whether through pressing for vital legislation, addressing issues that impact veterans' care, or supporting policies that ensure they are never forgotten. Our voices, when united, are a powerful force for positive change. Together, we can continue to make strides toward securing the benefits and services our veterans have earned and deserve.

In this new year, let's make a pledge to be more engaged, to stay informed, and to remain unwavering in our support for those who have served. Whether it's sending a letter, making a call, or engaging with lawmakers, each action counts. You can influence decisions that will impact generations to come.

Let's keep pushing forward, as we know that when we work together, there's no challenge we can't overcome. We are a beacon of strength and a united front for our veterans.

Thank you for your continued dedication. Here's to a year of progress, action, and making our voices heard.

With pride and purpose,

Joyce Bilyeu, Legislative Chairman
Veterans of Foreign Wars Auxiliary
Department of California
