

HISTORIAN AND MEDIA RELATIONS

NOVEMBER PROMOTION

Happy November and soon-to-be Happy Thanksgiving Department of California!

We have much to be thankful for this year and much to share with the multitude of activities all of your Districts are doing, especially at this time of year. Let us give thanks to our Veterans, our families, and this organization that brings so much good to our communities.

It has been a whirlwind since our C of A in October and it was wonderful to see all that could attend in person. It looked like a great time was had by all in Honolulu at the Western Conference and to those who shared pics, I am extremely grateful!

During my most recent District meeting, I shared a couple of resources found in MALTA. I have attached them here and please provide them to your Historian/Media Relation chairs. The first one is what the National Ambassador will be providing awards for and the entry slip to provide to me prior March 31, 2025 for judging. The second attachment is "Facebook Tips for An Active and Awesome Auxiliary Page."

These are extremely helpful in building a great Historian program and a well-informed FB page.

I would also like to point out that we are missing a few names for the District Historians: so if those could be submitted to Department, it will help tremendously when I am looking for a Historian contact for information. Please see below:
