

HISTORIAN / MEDIA RELATIONS PROGRAM

SEPTEMBER PROMOTION

Good Evening and Happy Fall to Everyone!

As I sit here and compose this promotion, I am reminded of the seasonal change and how this is an opportunity to change our own habits. The Department of California Web Team has made reporting incredibly easy for all of us, so it really takes very little effort to submit your reports.

I spent this last Saturday aboard the USS Hornet for the Department POW/MIA Remembrance Ceremony. I took the pictures (so did Maddie-special thank you!) and I came home and reported them on Facebook and also on our Department page under reports. While there though, Maddie and I had a conversation about letting everyone know how it easy it is to submit your photos to the Web Team and they will gladly put them on the Department Facebook page for you, AND...you get to report that you submitted your photos to the Historian.

If you would like to share your photos to the Department Facebook page, please send your pictures to webmaster.vfwauxca@gmail.com

I know that our Auxiliaries do so many amazing things all year, and they deserve to not only be posted, but reported!

I look forward to seeing all of the POW/MIA and September 11th remembrances on our Department page, and also all of the upcoming events that you have planned throughout your auxiliaries and districts.
