

## SEPTEMBER YOUTH ACTIVITIES PROMOTION

GAYLENE RAMOS

Just a quick reminder that September 6<sup>th</sup> is “**National Read A Book Day**”. Get the word out by social media promoting it if you have not already contacted your local library and set up something.

**September** is “**Library Card Sign Up Month.**” Let us promote the students get signed up at their local library if they do not have a card already. Perhaps you could stop in and see if your local library has books that are on the **Patriotism Through Literacy List.**

Please find the **Illustrating America Art Contest Winners 2023-2024** listed in the “Resources” section below this Promotion. I suggest printing out several pages in color to hand out along with the info and entry forms so that students can see and get ideas from the previous winners.
