

Youth Activities Program July Promotion

Hope you all are staying cool in this HOT July weather. I just wanted to let you all know that the Resources - Youth Activities Program information has been updated in MALTA. You will find the latest and greatest information. Make sure to check out the beautiful "Youth Group Supporting our Veterans Recognition and Appreciation Award" form.

Now is the time to get started on promoting this program as school will be starting soon. Don't forget to visit your local and county libraries and drop off some information for them. Maybe even check with any local Art Museums in your area. Let us hit the ground running and make this a successful year for the Department of California VFWA.
