

Now that you are getting the word out to your schools and youth organizations, I want all of you to remember that even though our focus is currently on *Voice of Democracy and Patriot's Pen*, **Deadline: October 31, 2024**. Follow up with their teachers, coaches & scout leaders to return entry forms to your posts by deadline. Judge them at post level & forward them to District Commanders by November 15, 2024.

We could also be gearing up for our:

Young American Creative Patriotic Art & 3-D Art contests along with *Continuing Education Scholarship!*

So, plan ahead. Take applications for EVERYTHING with you. And make sure that you deliver the appropriate applications where they need to be. Speak with the art teachers and student councilors who will be as excited as you are for the opportunity we are offering their students.

Student Participation – Recipient Recognition – Community Awareness-
