

Dear Brothers and Sisters of the Veterans of Foreign Wars Auxiliary,

As the current Senior Vice President for the Department of California, it is a great honor to formally request your approval of my candidacy for the office of Department President for the 2026-2027 term.

While I joined the Auxiliary in 2019, I have been part of the military support system for 43 years as a wife, mother, mother-in-law, and aunt. I remain deeply committed to our mission of supporting those who have served, those currently serving, and the families who support them.

Throughout my tenure, I have consistently pursued leadership roles to ensure our organization functions effectively. My experience includes serving as Junior Vice President for Auxiliary Post 2333 and Chaplain for District 16. I served as President of the Post 2333 Auxiliary for three years and continue to serve as its President today. Additionally, I served as District 16 President for two years, where I was honored to receive the Circle of Excellence and All-State Honors, and I am currently the District Junior Vice President. At the Department level, I have progressed from Guard to Senior Vice President. I have held various chair positions, including Department Scholarship Chairman and District Membership Chairman.

I possess a thorough understanding of our bylaws, rituals, and programs. If elected as President of the Department of California, I will serve to the best of my ability to ensure a successful and productive year for our organization.

Thank you for your consideration and support.

Respectfully,

Angie Prill,

VFW Sr Vice President

Department of California
