Re: December Legislative Program Promotion

Greetings VFW Auxiliary Department of California,

It is not too late, help your Western Conference take the lead, let's bring in the New Year in top place!

Our national competition for increasing subscribers, and participation, in Action Corp is ongoing. We need your help for a December push to bring the Western Conference, and California, into the lead. Sign up new subscribers today! Advocate for participation in Action Alerts!

California has increased subscribers from our July baseline of 31,733 to 32,372; a 2.01% increase (639 subscribers). Participation has increased from our baseline of 121 to 262; a 116.53% increase (141 participants). While these are impressive numbers, in a state of 39,529,000 residents, and 1.6 million veterans, we can sign up more.

VFW Action Corps is free and open to all patriotic Americans who care about the military and veteran communities.

VFW Action Corps members receive:

- ... VFW Action Corps Weekly, an easy-to-read electronic newsletter that highlights VFW's advocacy efforts on Capitol Hill.
- ... Immediate access to a nationwide database of contact information for all elected officials, a congressional directory.
- ... Regular VFW "Action Alerts" telling them how they can get involved when our nation's veterans, service members, and their families need their voices heard on Capitol Hill.

Signing up for Action Corps is simple!
