Re: January 2026 Legislative Program Promotion

Greetings VFW Auxiliary Department of California,

When the VFW advocates on Capitol Hill, real stories help lawmakers understand how veterans' policies affect real people.

Through VFW Voices of Service – Stories in Action, the VFW is collecting experiences from veterans, service members, and families through an official story bank. These stories, submitted directly through a secure form, will help educate Congress and the public and strengthen legislative advocacy.

Participation is voluntary, stories may be shared anonymously, and submissions are only used with permission.

Submit your story here: <https://forms.gle/3R4toepnSpDFLpvU6>

VFW VOICES OF SERVICE

Thank you for your continued support for the Legislative Program.
