

Hello VFW AUX Members, (PANDEMIC)

I know by now that everyone knows about the pandemic that is taking place around the World. I want to take this time to Thank You for all you do for our Veterans & their families. ***Now I need you to take care of yourselves and family members.*** Please stay home as President Trump has suggested for 15 days. ***I know that many have meetings or fundraisers etc. and I ask that you postpone those events for this month.*** As you know our Department Commander has suggested to close down canteens till further notice due to Gov. Newsome announcement. I am asking that auxiliaries either postpone their meetings or hold telecast meeting's from their own home, as all Americans are being asked not to meet with more than 10 people for gatherings. **I want to assure all of you that we still live in the Greatest Country in the World and the Smartest.** I know that the team of experts that America has are working hard and we will overcome this Pandemic. Meanwhile stay safe, be prepared, don't panic because this to will pass.

GOD BLESS AMERICA

VFW AUX PRES. Mary Ryser
