

Circle of Excellence UPDATE

August 3, 2020

Hello Auxiliary and District Presidents:

I recently had a meeting with Department President Robyn and Department Secretary/Treasurer Marilyn to discuss some of the due dates for the Circle of Excellence in relation to the COVID-19 pandemic. We want to make sure California's Presidents succeed, so we have made some adjustments to the COE criteria. Please make note of these changes:

District Criteria

Item 2a. We have awarded all Districts 20 points for submission of Auxiliary installation reports. All Auxiliaries have either submitted their installation reports, are requested for suspension or are on the "COVID list" (they have contacted the Department Office and have been granted an extension because they are unable to meet due to COVID).

Auxiliary Criteria

2a. We are changing the due date to submit the Auxiliary financial report to the Post Commander from August 31, 2020 to read 30 days after the completion of the April – June Audit (please add the date submitted to the Commander on the form).

2b. We are changing the due for the installation report to as soon as possible. This date is flexible due to COVID. Please continue to work with the Department Secretary/Treasurer to complete this task and add the actual date of completion on the form.

We know these are difficult times and the Auxiliaries have been asked to operate the best they can while staying safe. If any of you have any questions or concerns, please do not hesitate to contact me and I will work with Robyn and Marilyn to address any issues.

Take care and be safe!
