

Membership May 2020-2021

Hello Great State of California,

We are nearing the end of the year, We are so close. Remember membership never stops. Keep making those calls and shout outs to members that have not paid their dues. They are late and soon will have to start the renewal process all over. There are so many of you that are only a few away from being 100% please put in that last push. If you need help with making the calls let me know your team is still here waiting to help.

Next Month the update standings and Division Winners will be posted. Reminder there are still several that need to send in your report.

Thank you to all of you, for a challenging year and still getting out bringing new friends to our Organization. Thank you for all the work you have done, Stay safe and looking forward to see you once, everything opens up again.
