

MEMBERSHIP **2020-2021**

Hello Great State of California, District Membership Chairman;

Thank you for being a part of the TEAM... What a great year to be a part of this team. First thing, I need you to know we are your team, here to help you reach your goals. All you need to do is reach out to us. We will be emailing you monthly. At the beginning there will be a lot of correspondence, please do not get overwhelmed. We have so much to share with you, and so much to help you get your feet on the ground and hit it running. I ask that you just let me know if you have any questions.

When you receive the Membership Book, please take the time to go through it, circle things you have questions about and send them off to me to allow me to clear up the questions. When talking at your District meetings you can share the program in a positive light! We have made many changes! The program has added incentives like ***Auxiliaries will receive \$25.00 from Department when they reach 100% and ***Auxiliaries who reach 100% by December 31, 2020, will be entered into a drawing for three \$100.00 checks. But wait, that's not all, the program is also offering up the ** Night on the Town for District Presidents who attain 93% membership by December 31, 2020* Encourage your District membership to do their best to earn as many incentives as possible. *The Membership team would love to see everyone in on these awards.* We are planning for this program to be a lot of fun as we all work hard to achieve 100%+ in Membership

Please forward me the dates, places and times of all your District meetings. We want to *fly* up and meet you in person and share the **“Magical Membership Pixie dust”**.

We will be in touch soon, take care of yourself, rest up and looking forward to seeing you soon.

** Check out the Department Program book for these awards and more for all levels.
