How does a Post start an Auxiliary?

- Announce to all of your Post members in writing at least 20 days prior to the meeting where and when the vote to form an Auxiliary will occur.
- In accordance with the VFW Bylaws, a two-thirds (2/3) majority vote of the Post members present is required to set into action the formation of a new Auxiliary to that Post.
 - If the vote is YES, then contact the Department President.
- The Department President will assign an Auxiliary Organizer who will work on obtaining the required number of charter members (15) and filling out necessary paperwork.

VFW Auxiliary

Does it cost the Post anything?

- The VFW Auxiliary Charter Kit fee is \$100.00.
- The Post and/or Department and/or the interested, eligible applicants may pay the Charter fee.
- The Charter fee accompanies the completed Charter application.

VFW Auxiliary

How long does it take to start?

- From the time your Post votes to have an Auxiliary, it could take anywhere from two (2) to four (4) months to get an Auxiliary up and running.
- Hint: It takes less time for an Auxiliary to start helping your Post if there are already interested potential members before you vote!
